**What BVC says:**

**Why It's Different:**

Employees or Staff	<b>The Friends Team</b>	Why be known by just a title such as, "LPN", "CNA", "RN", etc? While many people may not know or understand what these letters mean, we all know what <b>FRIENDS</b> are. We are <b>FRIENDS</b> and we serve <i>with</i> residents, not to them.
Care or Caring	<b>Serve or Serving</b>	We are here to <i>serve</i> our residents together.
Continuum of Care	<b>Network of Services</b>	We never assume there's a "next level" of service you might need. Instead, you have choices in your lifestyle at BVC.
Rooms or Units	<b>Apartments or Homes</b>	When you live at BVC, you don't just have a room...you have a HOME.
Halls or Wings	<b>Neighborhoods</b>	Our Communities are more than just halls and wings, they are a place of togetherness and friends.
Nursing Home	<b>Health Center</b>	Yes, nursing services are provided, but we focus on the health and wellbeing of our residents to offer a joyful life.
Activities	<b>Life Enrichment</b>	We focus on more than just activities. We offer a full array of events and opportunities to meet the varying interests of our residents to provide and <b>enriched</b> life.
Library	<b>Learning Center</b>	Our learning centers offer more than just books. They are a place to gather and continue learning together. Learning is more fun when done with friends.
Gym	<b>Wellness Centers</b>	Our villages offer more than just fitness equipment. We offer a place to not only improve your physical health, but your spiritual and mental health too.
Exercise	<b>Wellness or Fitness</b>	Exercise can sometimes provoke a negative feeling in some. We focus on whole body wellness and positive fitness.
Private Pay	<b>Personalized Service</b>	Entrusted Hearts by Baptist Village focuses on providing you with the best home services for the individual client. Our focus isn't on your method of payment.
Retirement Center	<b>Village or Community</b>	Retirement means, "to remove from service"...we never want our residents to feel "removed" from anything. So we choose to focus on providing a community.
